On behalf of the German Left-handed Golfers, I would like to invite Lefties from all over the world to the 26th World Left-handed Golf Championship to be held from May 20th-24th, 2019 in Willingen, Germany. The NALG-Germany is proud to welcome participants from all over the world for the second time to Germany, after Bad Griesbach in 2000, now to Willingen in the heart of the Sauerland, one of Germany's most beautiful recreation and vacation areas. With the hotel "Sauerland Stern" as the main hotel, we have found a hotel that is superbly equipped to take care of all participating golfers and their entourage. From this location, daily shuttle buses will depart to the golf courses and the excursions. We are certain Willingen will leave you with fond memories!

We look forward to your participation.

Josef Langenberger
President NALG-Germany
